

Wednesday Tapestry Study Group Meeting Minutes  
October 18, 2023  
Note Taker: Diana Purkey

Raylene Keating led this first official meeting of the COSWG weekday Tapestry Study Group.

Randee Frommer is serving as the group's coordinator but needs someone to volunteer to be a backup for the year.

Members were encouraged to sign up to be an "official" notetaker at specific upcoming meetings. These notes are to include group decisions and specific action items.

We were also encouraged to sign up to serve as facilitator, one monthly meeting. Facilitators do not need to be experts in the technique that they present. They will instead introduce the group to what they are learning by way of books, youtube videos, personal examples, etc.

After brief introductions of each member in attendance Raylene shared a very informative and helpful presentation on "What is Tapestry." This slide presentation is available on the COSWG website.

Diana Purkey

- **Decision Made:** Patty Lieuallen stated she would be happy to be your backup coordinator.
- **Decision Made:** Facilitators and topics were assigned through October 2024 with the exception of July and August
- **Action Item:** Bobbi is checking to see if we can use the church for tapestry meetings in January and February even though the COSW meeting will be Zoom only those months
